

Wall Pack/Floodlight AH15 WM H: 4 W: 9.5 E: 12.75

Description

This sturdy area light is ideal for applications requiring a sleek, stylish design combined with a high-output, energy-efficient light source. Made with a die cast aluminum housing and coated with a textured bronze powdercoat finish, this fixture is ideal for high visibility areas. Delivers more than 3,100 lumens, while consuming only 21.7 watts. CSA listed for wet locations. Optional surge protection and photocell. Available with tempered clear flat glass lens or optional LED flat glass lens. Comes with a choice of 3 different mounting options - arm, two-piece swivel bracket or adjustable slip fitter.
